## WEDNESDAY: EXPLORE BIG IDEAS DAY

- Rooting into the Fellowship's foundations
- The State of the [Civic] Union & "Creating" America
- Civic Faith & Ritual
- Experiencing a mini Civic Saturday
- Solidifying objectives for bringing the practice home

## THURSDAY: DEVELOP YOUR VISION

- All About Civic Saturday
- Reading Your Community, Reading Yourself
- Telling the Story: Inviting People In & Along
- Exploring tools & resources
- Solo work time & office hours

## FRIDAY: PUT IT ALL TOGETHER

- Civic Seminary Commencement Ceremony
- Present visions and plans
- Next steps and closing circle

Civic Seminary is an immersive learning experience hosted by Citizen University.

A cohort of about a dozen Fellows spends time in Seattle together connecting over meals, learning from one another, and being thought partners and cheerleaders in preparing for the work of developing & hosting connective, spirited civic rituals.

Facilitated by Citizen University staff, this experience will prepare you to host your own Civic Saturday gatherings when you return home.
